EX5250
PRO

The standard portable Epson USA EX5250 Pro LCD projector has 3600 Ansi lumens, a contrast of 15000:1 and an XGA 1024 x 768 resolution. The service life of the lamp is up to 10000 hours, which is over 13.7 years with a daily viewing time of 2 hours. The horizontal and vertical keystone correction allows the projector to be positioned very freely. Thanks to the brightness of 3600 Ansi lumens, a picture width of 523 cm is possible. The projector can also handle slightly brighter rooms with a smaller image width (we recommend max. 349 cm). The projector was launched in 2015 and is no longer sold by the manufacturer.

3 x 0,63" LCD TFT Panel
XGA 4/3 Liquid Crystal Display
