

# Epson USA EX5260

EAN/UPC:V11H843020

## Brief Introduction

Beta 2.5

The standard portable EX5260 LCD projector from Epson USA has 3600 Ansi lumens, a contrast of 15000:1 and an XGA 1024 x 768 resolution. The manufacturer Epson USA specifies a lamp life of 10000 hours, which is over 13.7 years with a daily viewing time of 2 hours. The horizontal and vertical keystone correction provides leeway when setting up. The projector can illuminate images up to 523 cm wide thanks to its 3600 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 349 cm. The projector can also play 1080P without any problems. On the market since 2017, the model is no longer offered by the manufacturer Epson USA.

3 x LCD TFT Panel  
XGA 4/3 Liquid Crystal Display

## Display Type
