

Epson USA PowerLite 430

EPSON USA POWERLITE 430

Brief Introduction

Beta 2.5

The short-throw PowerLite 430 LCD has 3000 Ansi lumens, a contrast of 3000:1 and an XGA 1024 x 768 resolution. The manufacturer, Epson USA, specifies a lamp life of 4000 hours, which is over 5.5 years if enjoyed for two hours a day. The integrated media player allows files to be played directly. The horizontal and vertical keystone correction provides leeway when setting up. With a projection ratio of just 0.55:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 110 cm away from the screen. As the PowerLite 430 is equipped with a microphone jack and 16W speakers, no additional audio system is required for presentations or training sessions. Furthermore, the projector can play 1080P without any problems. This model is no longer offered by Epson USA.

Display Type

3 x 0,55" D8 LCD TFT Panel mit MLA
XGA 4/3 Liquid Crystal Display with Micro Lense Array
