

Epson USA PowerLite 825/+

EPSON USA POWERLITE 825/+

The standard portable PowerLite 825/+ LCD projector from Epson USA has 3000 Ansi lumens, a contrast of 2000:1 and an XGA 1024 x 768 resolution. The lamp of the projector is specified with 5000 hours of lamp life, which converts to over 6.8 years at 2 hours per day. The model offers a microphone jack plug and 10W speakers, so no additional audio devices are required for presentations or training courses. An image width of up to 477 cm is possible as the projector has 3000 Ansi lumens. However, if room light is available, the image should be a maximum of 318 cm wide. Playing 1080P is also no problem for the projector. It was launched in 2009 and is no longer offered by the manufacturer Epson USA.
