

Epson USA PowerLite 905

EPSON USA POWERLITE 905

Brief Introduction

Beta 2.5

A brief introduction to the PowerLite 905: The Epson USA LCD projector offers 3000 Ansi lumens, a contrast of 2000:1 and an XGA 1024 x 768 resolution. The manufacturer specifies a lamp life of 5000 hours, which is over 6.8 years if enjoyed for two hours a day. The integrated media player can play files directly. Horizontal and vertical keystone correction makes picture adjustment childs play. A picture width of up to 477 cm is possible as the projector has 3000 Ansi lumens. However, if room light is available, the image should be a maximum of 318 cm wide. Playing 1080P is also no problem for the projector. On the market since 2011, the model is no longer offered by the manufacturer Epson USA.
