

Epson USA EpiqVision Ultra LS300W

EPSON USA EPIQVISION ULTRA L

The short-throw EpiqVision Ultra LS300W 3D laser LCD has 3600 Ansi lumens, a contrast of 1500000:1 and an HDTV 1920 x 1080 resolution. The manufacturer Epson USA specifies a service life of 20000 hours, which is over 13.7 years if enjoyed for four hours a day. A built-in horizontal and vertical keystone correction provides freedom when positioning the projector. As it is a short-throw projector, the projector can be placed very close to the wall. For a 2 m wide image, the projector only needs to be 52 cm away from the screen. It is also compatible with Full HD 1080P and 4K (compressed) as well as 3D, meaning that all Blu-ray formats currently available can be recognized by the projector. It was launched in 2019 and is no longer offered by the manufacturer Epson USA.

 3 x 0,61" LCD TFT Panel
HDTV 16/9 Liquid Crystal Display
