

Epson USA Home Cinema 2200

EPSON USA HOME CINEMA 2200

Brief Introduction

Beta 2.5

A brief introduction to the Epson USA Home Cinema 2200. The LCD projector has an HDTV 1920 x 1080 resolution and a contrast of 35000:1. The lamp life is up to 4500 hours, which is over 6.2 years with a daily viewing time of 2 hours. The horizontal and vertical keystone correction provides leeway when setting up. 2700 Ansi lumens ensure that a picture width of 528 cm is also possible. However, if room light is available, the picture should be a maximum of 352 cm wide. Video signals 1080P and 3D are also no problem for the projector. On the market since 2020, the model is no longer offered by the manufacturer Epson USA.
