

Epson USA Pro L1755UNL

EPSON USA PRO L1755UNL

With the Pro L1755UNL, manufacturer Epson USA offers a large-size LCD laser projector with WUXGA 1920 x 1200 resolution and a contrast of 2500000:1. The manufacturer Epson USA specifies a service life of 20000 hours, which is over 13.7 years with a daily viewing time of 4 hours. The horizontal and vertical keystone correction provides leeway when setting up. An image width of up to 1244 cm is possible as the projector has 15000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, max. 829 cm is recommended. In the event that the image is still too small, the projector offers integrated edge blending software, with which several projectors can project a large image together. Furthermore, the projector can play 1080P and 4K (compressed) without any problems and can even project Blu-rays onto the ceiling thanks to 360° projection. On the market since 2019, the model is no longer offered by the manufacturer Epson USA.

3 x 1,03" LCD TFT Panel mit c2 Fine
WUXGA 16/9 Liquid Crystal Display

Projector	15000 / 10500 im Eco Mode	Screen	6667 Lux (200 cm Screen width)
