

Eroshoo HY320

EROSHOO HY320

The Eroshoo HY320 LED LCD projector has 200 Ansi lumens, a contrast of 1500:1 and an HDTV 1280 x 720 resolution. Due to the LEDs, the projector is specified with 30000 hours of light life, which converts to over 20.5 years at 4 hours per day. The integrated media player allows files to be played directly. The projector can illuminate images up to 144 cm wide thanks to its 200 Ansi lumens. In room light, however, the picture width should ideally be less than 96 cm. As the projector recognizes Airplay, Miracast Screen Mirroring signals, it is possible to play videos with a high resolution and surround sound directly from a smartphone, tablet, PC (Android, Windows and iOS) via WLAN. Thanks to the Bluetooth function, the projector can also be flexibly paired with other speakers. It is also Full HD 1080P and 4K (compressed) compatible. At just 25 decibels, the device is one of the quieter projectors.
