

# Everest SO402u

EVEREST SO402U

The standard portable SO402u LCD projector from Everest has 4200 Ansi lumens, a contrast of 20000:1 and a WUXGA 1920 x 1200 resolution. The lamp life is specified by the manufacturer as 10000 hours, which is over 13.7 years if enjoyed for two hours a day. Built-in horizontal and vertical keystone correction provides freedom when positioning the projector. An image width of up to 658 cm is possible, if the image width is smaller (we recommend max. 439 cm), rooms with residual light are also no problem. Playing 1080P is also no problem for the projector. On the market since 2019, the model is no longer offered by the manufacturer Everest.
