

Fuss FP-366A

F U S S F P - 3 6 6 A

Brief Introduction
Beta 2.5

A brief introduction to the Fuss FP-366A. The DLP LED projector has a WXGA 1280 x 800 resolution and 216 Ansi lumens. The manufacturer specifies an LED service life of 30,000 hours, which is over 20.5 years if enjoyed for four hours a day. With a projection ratio of just 0.2:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 40 cm away from the screen. As Fuss specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. It is also Full HD 1080P compatible.
