

Geha compact 248

GEHA COMPACT 248

Brief Introduction

Beta 2.5

With the compact 248, manufacturer Geha offers a standard portable DLP projector with XGA 1024 x 768 resolution and a contrast of 1000:1. The projector can illuminate an image width of up to 337 cm thanks to its 1500 Ansi lumens. In room light, however, the image width should ideally be less than 225 cm. It is no longer offered by the manufacturer Geha. Unfortunately, we can no longer offer replacement lamps for this model, neither originals nor replicas.
