Operating Noise

The standard portable Hitachi CP RX93 LCD projector has 2600 Ansi lumens, a contrast of 500:1 and an XGA 1024 x 768 resolution. The projector will be able to illuminate a 444 cm image width well. However, if room lighting is available, the image width should ideally not exceed 296 cm. Playing 1080P is also no problem for the projector. The model was built by Hitachi in 2011 and is no longer current.
