

Hitachi CP WX8

HITACHI CP WX8

Brief Introduction

Beta 2.5

The CP WX8 LCD projector from Hitachi has 2600 Ansi lumens, a contrast of 500:1 and a WXGA 1280 x 800 resolution. The projector can illuminate an image width of up to 518 cm with its 2600 Ansi lumens. In room light, however, the image width should ideally be less than 345 cm. Even 1080P video signals are no problem for the projector. On the market since 2010, the model is no longer offered by the manufacturer Hitachi.
