

iWimius S29

I W I M I U S S 2 9

The Micro-Portable S29 LED LCD has 600 ANSI lumens, a contrast ratio of 18000:1, and HDTV 1920 x 1080 resolution. Thanks to the LEDs, it has a service life of 30,000 hours, which would be over 20.5 years if viewed for 4 hours a day. It includes an integrated media player that allows files to be played directly. The projector can illuminate images up to 249 cm wide thanks to its 600 ANSI lumens. However, in room lighting, the image width should ideally be less than 166 cm. The projector has Airplay and Miracast screen mirroring support, which allows you to play high-resolution videos and surround sound from smartphones, tablets, and PCs with Android, Windows, or iOS directly via Wi-Fi. Another extra feature worth mentioning is that the projector can be connected to external wireless speakers via Bluetooth. The projector can also handle 1080P and 4K (compressed) video signals with ease.

Brief Introduction

Beta 2.5

Display Type

1 x LCD Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

600
