With the AYX CX100DK, manufacturer JAVES offers an LCOS projector with XGA 1024 x 768 resolution and a contrast of 200:1. The integrated media player allows files to be played directly. The projector will be able to illuminate a picture width of 87 cm well. However, if room light is available, the picture width should ideally not exceed 58 cm. This model is no longer offered by JAVES.
