Operating Noise

The high-end home cinema DLA RS20/U DILA projector from JVC has 900 Ansi lumens, a contrast of 50000:1 and an HDTV 1920 x 1080 resolution. Includes a lens shift function, which provides freedom during installation. An image width of up to 305 cm is possible as the projector has 900 Ansi lumens. However, if there is room light, the image should be a maximum of 203 cm wide. The model is also Full HD 1080P compatible. With an operating noise of just 19 decibels, the model is very quiet compared to others. The model was built by JVC in 2008 and is no longer current.
