

JVC DLA-RS2000

JVC DLA-RS2000

The high-end home cinema JVC DLA-RS2000 3D DILA projector has 1900 Ansi lumens, a contrast of 80000:1 and a UHD (4K+2K) 4096 x 2160 resolution. The lamp in the projector is specified with a lamp life of 4500 hours, which is over 6.2 years if enjoyed for two hours every day. Includes a lens shift function, which provides freedom during installation. The projector can illuminate an image width of up to 305 cm thanks to its 1900 Ansi lumens. In room lighting, however, the picture width should ideally be less than 203 cm. Furthermore, it is Full HD 1080P and 4K as well as 3D compatible, meaning that all Blu-ray formats currently available can be recognized by the projector. The model built in 2018 is no longer offered by JVC, but is still very popular in our projector database.
