The Lenco model LPJ-500BU is an LCD LED projector with WVGA 800 x 480 resolution and a contrast of 3000:1. It is an LED projector with 30000 hours of light life, which converts to over 20.5 years at 4 hours per day. As Lenco specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. 168 Ansi lumens ensure that a picture width of 132 cm is also possible. However, if room light is available, the picture should be a maximum of 88 cm wide. In addition, thanks to the Bluetooth function, the projector can be flexibly paired with other speakers. The model is also Full HD 1080P compatible.

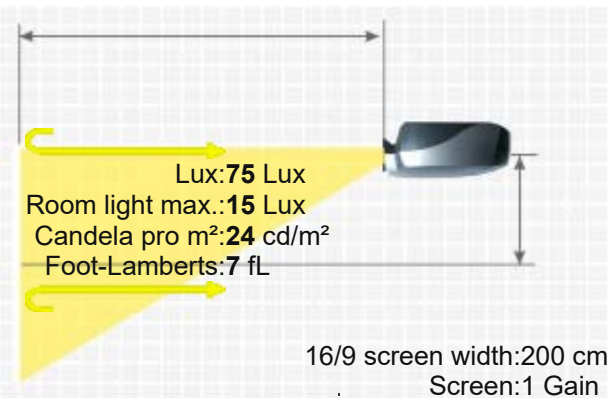

3 x LCD Panel
WVGA 16/9 Liquid Crystal Display

Projector

168 / 2800 Lumen
3000:1 full on/off
0,0560 min. Lumen
