

Liesegang Mayfair ultra

LIESEGGANG MAYFAIR ULTRA

A brief introduction to the Liesegang Mayfair ultra. The standard portable LCD projector has an XGA 1024 x 768 resolution and a contrast of 500:1. The horizontal and vertical keystone correction provides leeway when setting up. A picture width of up to 408 cm is possible. However, the picture should be smaller in room light. We recommend max. 272 cm. On the market since 2003, the model is no longer offered by the manufacturer Liesegang. It should also be noted that there are unfortunately no longer any replacement lamps available for the projector, neither originals nor replicas.

3 x 0,9" LCD TFT Panel
XGA 4/3 Liquid Crystal Display

Projector	2200	Screen	712 Lux (bei 203 cm Screen)
