

Liesegang Piccadilly

LIESEGGANG PICCADILLY

The Liesegang Piccadilly model is a DLP projector with SVGA 800 x 600 resolution and a contrast of 1500:1. The projector will be able to illuminate a picture width of 275 cm well. However, if room light is available, the image width should ideally not exceed 183 cm. This model is no longer offered by Liesegang. It should also be noted that, unfortunately, there are no more replacement lamps for the projector, neither originals nor replicas.
