

LONNST D068

LONNST D068

Brief Introduction

Beta 2.5

Brief introduction to the LONNST D068. The LCD projector features an HDTV resolution of 1920 x 1080 and a contrast ratio of 2000:1. With a throw ratio of just 0.26:1, this projector never gets in the way. For a 2-meter-wide image, the projector needs to be positioned just 52 cm away from the screen. Since LONNST specifies the projector's brightness in lumens, we have calculated an approximate ANSI lumen value in this case. Even 1080p and 4K (compressed) video signals are no problem for the projector.

Display Type

Lasergeräte
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

565 / 650 Lumen
