

Lotte Canon LCV 7424

LOTTE CANON LCV 7424

With the LCV 7424, manufacturer Lotte Canon offers a stationary LCD projector with XGA 1024 x 768 resolution and a contrast of 900:1. With the lens shift function, the projector can be positioned very freely. An image width of up to 564 cm is possible, if the image width is smaller (we recommend max. 376 cm), rooms with residual light are also no problem. The projector is no longer sold by the manufacturer.
