

Maxell MC-X8170

MAXELL MC-X8170

The MC-X8170 LCD projector from Maxell has 7000 Ansi-Lumen, a contrast of 3000:1 and a resolution. The projector also offers an integrated media player that can be used to play files directly. With the lens shift function, the projector can be positioned very freely. The projector can illuminate a picture width of 729 cm well. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 486 cm here. Furthermore, it is Full HD 1080P compatible and can even project Blu-rays onto the ceiling thanks to 360° projection. The model built in 2013 is no longer offered by Maxell.

3 x 0,63" LCD TFT Panel
XGA 4/3 Liquid Crystal Display
