

Megapower MG560

MEGAPOWER MG560

The game portable Megapower MG560 LED LCD projector has 150 Ansi lumens, a contrast of 1000:1 and an HDTV 1920 x 1080 resolution. The manufacturer specifies an LED service life of 30,000 hours, which is equivalent to over 20.5 years at 4 hours per day. The horizontal and vertical keystone correction allows the projector to be positioned very freely. The projector can illuminate a picture width of 124 cm well. If room light is available, however, the picture width should ideally not exceed 83 cm. The projector has screen mirroring support, which enables direct playback of videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via Wi-Fi. The projector can also play 1080P without any problems.

Brief Introduction

Beta 2.5

Display Type

3 x LCD TFT Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

150

Contrast

1000:1
