Merlin Digital PocketBeam Touch 2

EAN/UPC:0712145895174

Brief Introduction Beta 2.5	The Merlin Digital PocketBeam Touch 2 DLP projector has 150 Ansi lumens and a WVGA 854 x 480 resolution. 150 Ansi lumens ensure that a picture width of 124 cm is also possible. However, if room light is available, the picture should be max. 83 cm wide. Another extra is that the Bluetooth function allows the projector to be connected to external wireless speakers. Even 1080P video signals are no problem for the projector. The projector was launched in 2019 and is no longer sold by the manufacturer.
Display Type	1 x 0,3" DMD DLP Chip +LED WVGA 16/9 Ti Digital Light Processing Chip
