

Nec ME401X

NEC ME401X

The standard portable ME401X LCD projector from Nec has 4000 Ansi lumens, a contrast of 6000:1 and an XGA 1024 x 768 resolution. The manufacturer specifies a lamp life of 4000 hours, which is over 5.5 years with a daily viewing time of 2 hours. The integrated media player allows files to be played directly. Built-in horizontal and vertical keystone correction provides freedom when positioning the projector. The projector can illuminate images up to 551 cm wide thanks to its 4000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 367 cm. Furthermore, the projector can play 1080P without any problems. The model built in 2016 is no longer offered by Nec.

 3 x 0,63" LCD TFT Panel mit MLA
