

Nec M332XS

NEC M332XS

A brief introduction to the Nec M332XS. The DLP projector has an XGA 1024 x 768 resolution and a contrast of 10000:1. Thanks to the lamp, the projector has a lamp life of up to 3500 hours, which converts to over 4.8 years at 2 hours per day. The ambient light sensor allows the projector to automatically optimize the projected image. The integrated media player can play files directly. With a projection ratio of just 0.6:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 120 cm away from the screen. Playing 1080P and 3D is also no problem for the projector. The projector was launched in 2014 and is no longer sold by the manufacturer.

Brief Introduction Beta 2.5

Display Type

1 x 0,55" DLP Chip
XGA 4/3 Ti Digital Light Processing Chip

Ansi-Lumen
