

Nec M362X

NEC M362X

With the M362X, manufacturer Nec offers a DLP projector with XGA 1024 x 768 resolution and a contrast of 10000:1. The integrated media player can play files directly. The model offers a microphone jack plug and 20W speakers, so no additional audio devices are required for presentations or training courses. An image width of up to 523 cm is possible as the projector has 3600 Ansi lumens. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 349 cm. Playing 1080P and 3D is also no problem for the projector. It was launched in 2014 and is no longer offered by the manufacturer Nec.

1 x 0,55" DLP Chip
XGA 4/3 Ti Digital Light Processing Chip

Projector	3600	Screen	1200 Lux (bei 200 cm Screen)
