

Nec M402W

NEC M402W

Brief Introduction

Beta 2.5

The standard portable Nec M402W 3D DLP projector has 4000 Ansi lumens, a contrast of 10000:1 and a WXGA 1280 x 800 resolution. Thanks to the ambient light sensor, the projector can automatically optimize the projected image. The projector also offers an integrated media player that can be used to play files directly. The model offers a microphone jack plug and 20W speakers, so no additional audio devices are required for presentations or training courses. Thanks to the brightness of 4000 Ansi lumens, a picture width of 643 cm is possible. The projector can also handle slightly brighter rooms with a narrower picture width (we recommend max. 429 cm). Video signals 1080P and 3D are also no problem for the projector. It was launched in 2014 and is no longer offered by the manufacturer Nec.

1 x 0,65" DLP Chip
WXGA 16/10 Ti Digital Light Processing Chip
