

# Nec NC2003ML

NEC NC2003ML

The Nec NC2003ML E-Cinema Laser DLP projector has 24500 Ansi lumens, a contrast of 2000:1 and an HD2K 2048 x 1080 resolution. The manufacturer specifies a laser service life of 50000 hours, which converts to over 34.2 years at 4 hours per day. Thanks to the brightness of 24500 Ansi lumens, a picture width of 1363 cm is possible. The projector will also manage slightly brighter rooms with a smaller image width (we recommend max. 909 cm). Even 1080P video signals are no problem for the projector.

3 x 0,98 DLP Chip  
HD2K 4/3 Ti Digital Light Processing Chip
