

Nec NP61

NEC NP61

The NP61 BrilliantColor DLP has 3000 Ansi-Lumen, a contrast of 1600:1 and an XGA 1024 x 768 resolution. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. The projector can illuminate a picture width of up to 477 cm thanks to its 3000 Ansi lumens. In room lighting, however, the picture width should ideally be less than 318 cm. The model was built by Nec in 2008 and is no longer current.
