

Nec MC393W

NEC MC393W

A brief introduction to the Nec MC393W. The standard portable LCD projector has a WXGA 1280 x 800 resolution and a contrast of 16000:1. The lamp life is up to 10,000 hours, which converts to over 13.7 years at 2 hours per day. Horizontal and vertical keystone correction makes setting up the picture childs play. The projector can illuminate images up to 634 cm wide thanks to its 3900 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 423 cm. It is also Full HD 1080P and 4K (compressed) compatible. The model built in 2021 is no longer offered by Nec. It should also be noted that, unfortunately, there are no more replacement lamps for the projector, neither originals nor replicas.

Brief Introduction
Beta 2.5

Display Type

1 x 0,59" LCD TFT Panel mit MLA
WXGA 16/10 Liquid Crystal Display with Micro Lense Array
