

Nec NP-MC423W

NEC NP-MC423W

The Nec NP-MC423W LCD projector has 4400 ANSI lumens, a contrast ratio of 16000:1, and a WXGA 1280 x 800 resolution. The lamp life is specified by the manufacturer as 12,000 hours, which would be over 16.4 years with 2 hours of viewing per day. The horizontal and vertical keystone correction allows the projector to be positioned very freely. An image width of up to 674 cm is possible; if the image width is smaller (we recommend max. 449 cm), even rooms with residual light are no problem. The model is also Full HD 1080P compatible. The projector was launched in 2021 and is no longer sold by the manufacturer. Please also note that unfortunately there are no replacement lamps available for the projector, neither original nor replica.

Brief Introduction

Beta 2.5

Display Type

1 x 0,64" LCD TFT Panel mit MLA

WXGA 16/10 Liquid Crystal Display with Micro Lense Array
