

Nec V302X

NEC V302X

The Nec V302X 3D DLP projector has 3000 Ansi lumens, a contrast of 10000:1 and an XGA 1024 x 768 resolution. The manufacturer Nec specifies a lamp life of 4500 hours, which converts to over 6.2 years at 2 hours per day. Due to the brightness of 3000 Ansi lumens, a picture width of 477 cm is possible. In room light, the picture should be max. 318 cm wide. With the HDMI MHL port, the smartphone image can be transmitted to the projector in Full HD at 60 Hz by screen mirroring and the smartphone is charged at the same time. Even 1080P playback is no problem for the projector. The model built in 2015 is no longer offered by Nec.
