

Nec VT45K

NEC VT45K

A brief introduction to the VT45K: The Nec LCD projector offers 1000 Ansi-Lumen, a contrast of 300:1 and a SVGA 800 x 600 resolution. The projector also offers a lens shift function that makes image adjustment childs play. The projector can illuminate images up to 275 cm wide thanks to its 1000 Ansi lumens. In room lighting, however, the picture width should ideally be less than 183 cm. It was launched in 2002 and is no longer offered by the manufacturer Nec.
