

Nec VT770

NEC VT770

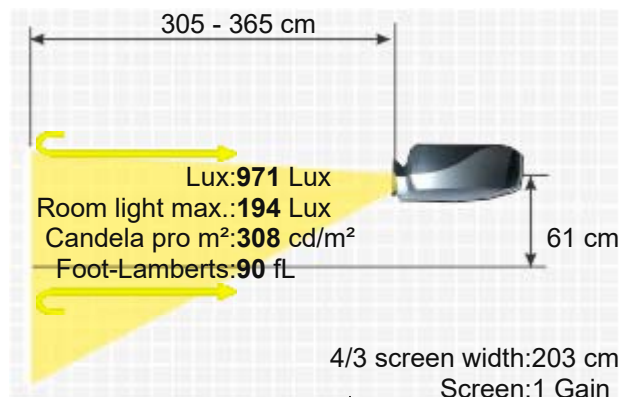

A brief introduction to the VT770: The Nec standard portable LCD projector offers 3000 Ansi lumens, a contrast of 400:1 and an XGA 1024 x 768 resolution. The integrated media player can play files directly. Horizontal and vertical keystone correction makes image adjustment childs play. The projector will be able to illuminate a picture width of 477 cm well. However, if room light is available, the picture width should ideally not exceed 318 cm. The model is also Full HD 1080P compatible. With only 30 decibels of operating noise, the model is already very quiet compared to others. It was launched in 2004 and is no longer offered by the manufacturer Nec.

Brief Introduction

Beta 2.5
