

PRO110S

The Nettv PRO110S projector, at 3.3 pounds and 1100 Lumens, makes it one of the lightest and brightest projectors in its category. Lighter than most notebook computers, this micro portable projector can be carried from room to room or city to city with equal ease. Its versatile 3 foot to 39 foot projection distance, and user-friendly backlit keypad control make it the ultimate presentation projector anytime and anywhere.

Feature highlights:

- XGA compression, true 800 x 600 SVGA resolution,
- Weighs just 3.3 pounds
- Ultra-bright 1100 ANSI Lumens
- 500:1 Contrast Ratio
- HDTV compatible (480p, 720p, 1080i)
- Auto-sync function for quick and easy set-up
- Real plug and play with auto- image function
