

Optoma DW326

OPTOMA DW326

The Optoma DW326 standard portable 3D BrilliantColor DLP projector has 3000 Ansi lumens, a contrast of 10000:1 and a WXGA 1280 x 800 resolution. The lamp in the projector is specified with a lamp life of 4500 hours, which is over 6.2 years with a daily viewing time of 2 hours. A picture width of up to 556 cm is possible. However, the picture should be smaller in room light. We recommend a maximum of 371 cm. Furthermore, the projector can play 1080P without any problems. On the market since 2013, the model is no longer offered by the manufacturer Optoma.
