

Optoma EW400

OPTOMA EW400

The Optoma EW400 3D BrilliantColor DLP projector has 4000 Ansi lumens, a contrast of 15000:1 and a WXGA 1280 x 800 resolution. As the EW400 is equipped with a microphone jack plug and 10W speakers, no additional audio system is required for presentations or training courses. The projector can illuminate images up to 643 cm wide thanks to its 4000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 429 cm. On the market since 2013, the model is no longer offered by the manufacturer Optoma.
