

Optoma GT3500HDR

EAN/UPC:5055387668102

OPTOMA GT3500HDR

The GT3500HDR 3D laser DLP projector from Optoma has 3800 Ansi lumens, a contrast of 500000:1 and an HDTV 1920 x 1080 resolution. Thanks to the laser technology, the projector has a light life of up to 30,000 hours, which is equivalent to over 20.5 years at 4 hours per day. Horizontal and vertical keystone correction makes image adjustment childs play. Thanks to the short throw projection ratio of just 0.253:1, the projector is not distracting in the room. For a 2m wide image, the projector only needs to be 51 cm away from the screen. A smartphone with an MHL connection can be connected directly to the MHL/HDMI port for 1080p / 60 Hz image mirroring (screen mirroring). Even 1080P video signals are no problem for the projector.
