

# Optoma HD25 LV

OPTOMA HD25 LV

The Optoma HD25 LV 3D BrilliantColor DLP projector has 3800 Ansi lumens, a contrast of 20000:1 and an HDTV 1920 x 1080 resolution. The manufacturer Optoma specifies a service life of 3500 hours, which is over 4.8 years if enjoyed for two hours a day. 3800 Ansi lumens ensure that a picture width of 626 cm is also possible. The projector manages rooms with residual light with a smaller image width, we recommend a maximum of 417 cm. Playing 1080P and 3D is also no problem for the projector. The model built in 2013 is no longer offered by Optoma, but is still very popular in our projector database.
