

Optoma X318ST

EAN/UPC:796435 44 272 9

OPTOMA X318ST

With the X318ST, manufacturer Optoma offers a short-throw DLP projector with XGA 1024 x 768 resolution and a contrast of 20000:1. The lamp life is specified by the manufacturer as 10000 hours, which is over 13.7 years with a daily viewing time of 2 hours. Thanks to the short-throw projection ratio of just 0.64:1, the projector does not stand still in the room. For a 2m wide image, the projector only needs to be 128 cm away from the screen. As the X318ST is equipped with a microphone jack and 10W speakers, no additional audio system is required for presentations or training sessions. With the HDMI MHL port, the smartphone image can be transmitted to the projector in Full HD at 60 Hz via screen mirroring and the smartphone is charged at the same time. The projector can also play 1080P and 3D without any problems. The operating noise of just 28 decibels makes the projection quiet. This model is no longer offered by Optoma, but is still very popular in our projector database.
