

Panasonic PT-LB355 /E/U

PANASONIC PT-LB355 /E/U

Brief Introduction

Beta 2.5

The Panasonic PT-LB355 /E/U LCD projector has 3300 Ansi lumens, a contrast of 16000:1 and an XGA 1024 x 768 resolution. The lamp in the projector is specified with a lamp life of 10000 hours, which is over 13.7 years with a daily viewing time of 2 hours. The horizontal and vertical keystone correction provides leeway when setting up. The projector will be able to illuminate a picture width of 500 cm well. However, if room light is available, the picture width should ideally not exceed 333 cm. 1080P playback is also no problem for the projector. This model is no longer offered by Panasonic.
