

Panasonic PT-VZ580

PANASONIC PT-VZ580

The standard portable Panasonic PT-VZ580 LCD projector has 5000 Ansi lumens, a contrast of 10000:1 and a WUXGA 1920 x 1200 resolution. The lamp in the projector is specified with a lamp life of 7000 hours, which is over 9.6 years if enjoyed for two hours every day. With the lens shift function, the projector can be positioned very freely. The projector can illuminate a picture width of 718 cm well. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 479 cm here. The projector can also play 1080P without any problems. It was launched in 2017 and is no longer offered by the manufacturer Panasonic, but is still very popular in our projector database.
