

Philips NeoPix 950

PHILIPS NEOPIX 950

Brief Introduction

Beta 2.5

The Standard Portable NeoPix 950 LED LCD projector from Philips has 1400 ANSI lumens, a contrast ratio of 1100:1, and HDTV 1920 x 1080 resolution. The manufacturer specifies an LED lifetime of 30,000 hours, which equates to over 20.5 years of enjoyment at four hours per day. The projector is equipped with an integrated media player, so playing files directly will not be a problem. The brightness of 1400 ANSI lumens allows for an image width of 380 cm. In room lighting, the image should be a maximum of 253 cm wide. Thanks to Google TV, the projector can be conveniently controlled by voice command. In addition, the Bluetooth capability is a useful addition to the projector, especially for wireless audio transmission. The model is also Full HD 1080P compatible.
