

Promacto Pro X11

PROMACTO PRO X11

The Promacto Pro X11 3D LED DLP projector has 1000 Ansi lumens, a contrast of 20000:1 and a WXGA 1280 x 800 resolution. Manufacturer Promacto specifies a service life of 30,000 hours, which is over 20.5 years if enjoyed for four hours a day. The integrated media player allows files to be played directly. The projector can illuminate a picture width of up to 321 cm thanks to its 1000 Ansi lumens. In room lighting, however, the picture width should ideally be less than 214 cm. The model is also Full HD 1080P and 3D compatible. The operating noise of just 30 decibels makes the projection quiet. It is no longer offered by the manufacturer Promacto.

Brief Introduction

Beta 2.5

Display Type

1 x 0,45" DLP Chip
WXGA 16/10 Ti Digital Light Processing Chip

Ansi-Lumen

1000

400 Lux (bei 200 cm Screen)
