

Proxima DP2800

PROXIMA DP2800

The Proxima model DP2800 is an LCD projector with VGA 640 x 480 resolution and a contrast of 100:1. The projector will illuminate a picture width of 91 cm well. However, if room light is available, the image width should ideally not exceed 61 cm. The model is no longer offered by Proxima. It should also be noted that there are unfortunately no longer any replacement lamps available for the projector, neither originals nor replicas.
