

# Ricoh PJ HD5452

RICOH PJ HD5452

The Ricoh PJ HD5452 3D DLP projector has 4100 Ansi lumens, a contrast of 8000:1 and an HDTV 1920 x 1080 resolution. The lamp life is specified by the manufacturer as 10000 hours, which is over 13.7 years if enjoyed for two hours a day. A picture width of up to 651 cm is possible, if the picture width is smaller (we recommend max. 434 cm), rooms with residual light are also no problem. The HDMI MHL (Mobile High-Definition Link) port allows 1080p / 60 Hz image mirroring (screen mirroring) to be transmitted from the smartphone while it is being charged at the same time via the connection. 1080P playback is also no problem for the projector.

1 x 0,65" DLP Chip  
HDTV 16/9 Ti Digital Light Processing Chip
