

Sanyo PLC WXU300

SANYO PLC WXU300

Brief Introduction

Beta 2.5

The standard portable PLC WXU300 LCD has 2500 Ansi lumens, a contrast of 500:1 and a WXGA 1280 x 800 resolution. The projector can illuminate a picture width of up to 508 cm thanks to its 2500 Ansi lumens. In room light, however, the image width should ideally be less than 339 cm. 1080P playback is also no problem for the projector. The projector was launched in 2009 and is no longer sold by the manufacturer.
